April 2011 – June 2016

- Led lab operations and ensured quality control across processes.
- Supervised inspection activities and maintained documentation.

Supervisor QC, Indian Cable Industries, Greater Noida

May 2009 – April 2011

- Conducted quality checks and inspections.
- Assisted in fault identification and resolution.

ACHIVEMENTS

- **Enhanced Product Quality:** Spearheaded quality control initiatives that led to a **~15% improvement in product quality rates**, significantly reducing the overall rejection rate in the production line.
- **Excellence in Compliance:** Successfully cleared **3 consecutive annual BIS audits** with zero major non-conformities at Hyphen Cables, ensuring uninterrupted product certification and market approval.
- **Exceeded Production Targets:** Consistently achieved and surpassed production goals; notably **delivered a major PSPCL project 10% ahead of schedule** in FY 2022-23, enhancing client satisfaction and securing repeat business.
- **Effective Team Leadership:** Successfully led and mentored an **8-member cross-functional team** of production and quality staff, improving team productivity, coordination, and skill development.
- **Reduced Process Defects:** Implemented systematic fault analysis and root cause correction techniques at Abhinav Overseas, which led to a **~20% reduction in in-process defects**.

Education

Diploma in Electronics Engineering (62.07%)

Govt. Polytechnic College, Alwar, Rajasthan

Senior Secondary (XII) (56.15%)

Board of Secondary Education, Ajmer, Rajasthan

Secondary (X) (71.17%)

Board of Secondary Education, Ajmer, Rajasthan

CERTIFICATION

Industrial Training - Power Line Carrier Communication (PLCC)

220KV GSS, Alwar, Rajasthan | 24 Days

STRENGTHS

- **Technical Expertise:** In-depth knowledge of cable testing methodologies, BIS standards, and quality control processes honed over 15 years in the industry.
- **Leadership & Team Management:** Proven ability to lead, mentor, and manage cross-functional teams of production and quality staff to achieve collective targets.
- **Quality-Focused & Detail-Oriented:** Meticulous attention to detail in inspection, documentation, and process control to ensure the highest product quality and compliance.
- **Effective Problem Solver:** Strong analytical skills in fault detection, root cause analysis, and implementing effective corrective and preventive actions.
- **Proactive & Committed:** A self-motivated professional known for dedication, reliability, and taking initiative to drive continuous improvement.
- **Excellent Coordination Skills:** Experienced in liaising with major authorities like PSPCL, managing inspections, and ensuring smooth project execution.
